Notice of Unauthorized Practice of Dental Assisting

Dear Ms. McSwain,

The Iowa Dental Board met recently and reviewed information which indicates that you have been practicing dental assisting in the State of Iowa illegally.

Since your registration status with the Iowa Dental Board was surrendered on February 1, 2013, you are prohibited from engaging in the practice of dental assisting in the State of Iowa. If the Board receives new reports or information that you are practicing dental assisting without a registration, the matter will be turned over to the law enforcement agency having jurisdiction of where you practiced.

Practicing dental assisting without a dental assistant registration is prohibited by Iowa Code Chapter 147.2(1) and is punishable as a serious misdemeanor. Please be advised that since you are no longer a registrant of the Board this letter is a public document and will be posted on the Board's website.

The Board recommends you consult with legal counsel if you have questions concerning this notice.

Sincerely,

STEVEN P. BRADLEY, D.D.S.
Chairperson
Iowa Dental Board
